

BURP CLOTH DESCRIPTION

JCube&P's burp cloth comes in a pack of 5 with the following qualities.

- **Soft, Absorbent and Large**

The size of our burp rag for baby boys and girls is large enough (19x9inches) with curve sides to lay perfectly on mom's shoulders providing a better protection from drool or spit ups. Our baby burps for boys and girls is also super absorbent; mom's outfit stays dry all day long.

- **Safe and Comfortable**

Our burp cloth are made with 100% organic cotton which is also hypoallergenic, safe for baby's sensitive skin. Baby does not get skin rashes on contact with the fabric. It is soft and comfortable for both baby and mom.

- **Stylish and Durable**

Our carefully made burp cloths come in a curvy style with a variety of beautiful patterns and color combination making it perfect for any outfit, not only is it stylish but also durable and fashion-forward.

- **Perfect Gift Choice**

JCUBE&P's 5-pack burp cloth set is an adorable baby shower gift for moms. They are not only fashion-forward but also function-able in that they can also be used as a changing cloth to change baby's diaper. The stylish patterns are awesome for any outfit mom has on during any occasion. Moms will forever be grateful to receive our burp cloth or burp towel as a gift.

- **Lifetime Guarantee**

Buy with confidence because our burp cloth come with a 100% satisfaction guarantee, but if for any reason it doesn't meet your current standards, please do not hesitate to return it for a full refund or a replacement. We want to delight our customers always.
