Delivery Times

Please allow 4 - 8 business days for delivery within the United States. All of our products are processed and dispatched within 3 business days. However, during peak times such as holiday seasons and public holidays, this may be delayed slightly.

We will email you a tracking number, usually after we have shipped your order.

Most of our items shipped to Europe, Canada, and Australia will take 2 - 4 weeks as we select a balance of the fastest and cost-effective shipping offered.

If your items have not arrived within 20 business days, please contact us at info@jcubep.com so we may assist you regarding the status of your order.

Orders depending on the destination in the world might take longer because of couriers and customs inspection. So please take this into consideration should your order not arrive within 30 days.

Thank you for understanding.
